Harmful Colours used by Food processing units

†2125-C. SHRI GURUDAS DAS GUPTA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that some colours used by Food processing units have been found to be harmful for human consumption; and

(b) if so, whether Government propose to ban these colours?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH (KUMARI SAROJ KHAPARDE): (a) and (b) As per provisions of the Prevention of Food Adulteration Act, 1954, the food manufacturing units are required to use only those colours, use of which is permitted in specified items of food. Despite this, there are instances of use of non permitted colours which attract penal provisions of the law.

The State Governments have been advised to keep a strict vigil on indiscriminate use of non-permitted colour and to take action under the provisions of the PFA Act and Rules.
